

Furniture Blankets

Hard wearing blankets for protecting transported goods. Manufactured from a recycled wool/cotton mix, Tuf Truk® blankets are soft to the touch but extremely hard wearing.

Applications

- Furniture removal and transport
- Joinery
- Container rentals
- Storage facilities

Available in 3 versions

1. Over locked

Needle punched with a core layer of polypropylene providing real toughness and durability. Ideal for heavy use situations such as furniture removal. Available ex stock.

2. Bonded

Needle punched then heat bonded with melt bond polyester fibres. This advanced bonding process means no edge binding is required. The product is slightly thinner and perfect for joinery companies and for protecting goods in storage. Available ex stock.

3. Edge Bound

Bonded blankets with the edges bound with Bias binding in the colour of your choice. A great option for branding your blankets or colour coding for identification purposes. Made to order. Minimum order 200. Ask about company branding options (eg logos).
