DURABILITY

Terra Lana wool blend wall insulation has been BRANZ appraised to last for 50 years and comes with a 50 year warrantee.

INSECT RESISTANCE

Terra Lana wool insulation is manufactured from new wool, recycled wool and textile fibres that are treated for insect resistance.

SHELF LIFE

Terra Lana Wool Insulation is compression packed into polyethylene bags. The fibres will recover to design thickness after unpacking. However, the longer the compression, the longer the recovery. Terra Lana insulation should not be stored in compressed state for longer than 6 months.

BRANZ

Terra Lana wool blend insulation was developed and tested by the Wool Research Institute of New Zealand (WRONZ, now AgResearch) and is BRANZ appraised. Appraisal 682 : 2010
